ABOUT US

ATNEXT GLOBAL LLP, operating under the trusted brand name **ATNEXT**, is a leading name in the Fast-Moving Electrical Goods (FMEG) industry with a legacy of 28 years of excellence, innovation, and trust. "Since inception, we've consistently delivered high-quality, reliable, and energy-efficient electrical solutions for homes, businesses, and industries across India—and increasingly, worldwide."

Over the past two and a half decades, **ATNEXT** has evolved from a modest electrical goods supplier of a dynamic and diversified company, offering a wide range of products including lighting solutions, fans, switches, wires & cables, and other essential electrical components. "Our deep expertise and market understanding make us a trusted partner for residential and commercial electrical needs alike."

At **ATNEXT**, we believe in the power of innovation, quality, and sustainability. We continuously invest in advanced technology, rigorous quality control, and design thinking to ensure our products not only meet but exceed the expectations of modern consumers.

Our pan-India presence, robust distribution network, and dedicated customer service have helped us build lasting relationships and a reputation for reliability. Every product under the **ATNEXT** name reflects our core values of Integrity, Innovation, and Excellence.

As we look ahead, **ATNEXT GLOBAL LLP** remains committed to lighting the way forward — empowering lives with safe, smart, and sustainable electrical solutions.

atnext

MISSION

At **ATNEXT GLOBAL LLP**, our mission is to empower lives through innovative, sustainable, and high-quality electrical solutions. We are committed to excellence, energy efficiency, and reliability in every product we deliver—enhancing comfort, safety, and productivity in homes, businesses, and industries—across India and globally.”

VISION

“To become a global FMEG leader by pioneering cutting-edge technologies, delivering unmatched service, and shaping a smarter, more sustainable future for generations.”
